This is our opportunity to

LIVE LOVE

Forward

- Preserving what matters
- Transforming what can serve more fully
- Creating room for possibilities we may not yet have imagined

We move forward with gratitude for those who built before us, responsibility for what has been entrusted to us, and faith in what God may yet do through United. Together, we can carry faithfulness forward—so that the love we are called to live out loud today will continue to be seen, felt, and shared long into the future.

LIVING LOVE Forward

Carrying Faithfulness Forward for Generations to Come

Our goal is to raise $450,000 above and beyond our regular stewardship commitments over an 18-month period, investing those resources in three areas:

- **Campus Care**
  - Critical building needs, repairs, and improvements
- **Day Facility Exploration**
  - Resources to thoughtfully investigate the possibility of once again offering meaningful weekday care and education within our walls
- **Invitation**
  - Helping us more intentionally connect United with the community around us
  - Create experiences that help our neighbors discover who we are, what happens here, what we have to offer, and how they can be part of it.

Living Love Forward is about more than raising $450,000. It is about raising possibilities. We are inviting this congregation to:

- **Dream with us**
- **Ask bold questions**
- **Bring ideas to the table**
- **Help shape what comes next**

Some will participate through significant financial gifts, estate designations, or legacy giving. Others will bring professional expertise, creativity, relationships, energy, or time. Many will do both. Every one of us has something to offer as we discern how this campus, this congregation, and this ministry can serve God and our neighbors for generations to come.

FUELING OUR Mission

Sustainability & Stewardship

Living love out loud takes more than vision—**it takes a faithful, sustainable foundation that allows ministry to happen every day**. Our generosity makes it possible for United to be present to:

- **Gather for worship**
- **Nurture faith**
- **Care for one another**
- **Welcome our neighbors**
- **Support children and families**
- **Reach beyond our walls.**

Our annual ministry budget supports the people, programs, and place that bring our mission to life. **This is why our regular stewardship remains essential.** Through weekly offerings, recurring gifts, and annual or bi-annual commitments, each of us helps provide the dependable resources United needs to carry out its ministry today.
