

ALMC Nursing School

The Arusha Lutheran Medical Centre (ALMC) is Arusha's newest and only full-service hospital, which offers general, and specialty care in many areas. Their mission is to serve, treat, and minister to the whole person; in body, mind, and spirit. In addition to their services, their newly developed nursing school has just graduated their first class with a 99.9% success rate in exams! They expect to be named one of the top schools in the country!

A gift has been given in your honor to support the ALMC Nursing School. They currently need funding for scholarships and building expansion.

May you feel joy this Christmas through this gift to others in need, and in God's gift to us all, Jesus Christ.
